RESPONSE TO OFFICE ACTION

Examiner Betit:

In response to Office action of November 8, 2010, Applicant gratefully acknowledges Examiners suggestion of utilizing the Interview process as disclosed in MPEP 713 to ensure any future amendments do overcome the prior art and are in compliance with 37 CFR §1.121. Applicant does not wish to amend any claims at this time, but would request an interview with Examiner if the arguments set forth herein are not deemed persuasive enough to overcome prior art by Examiner.

For the reasons explained in the Remarks/Arguments section, Applicant asserts that all claims presented in Applicant's communication on 31 August 2010 are patentable over the cited prior art and are therefore in condition for allowance.
